

Living the Dream

FLEETWOOD 2003

Lose yourself....

FLEETWOOD CARAVANS

Taking luxury to another level...

Following our success last year, enhanced by winning the 2002 Caravan of the Year Award with the Heritage 600-CB, Fleetwood continues to take great pride in innovative designs complemented by quality fixtures and fittings throughout the whole model range.

Once again there are many new and exciting reasons for choosing a Fleetwood caravan. From the new elegant front and rear elevations on the Colchester models, the Bleached Beech furniture boards in the Sonata range creating a light and modern feel and the key fob operated "Protect" security system in the Heritage giving you complete peace of mind, you will be spoilt for choice as Fleetwood offers excellent value for money.

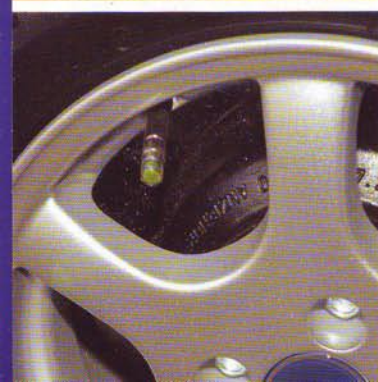

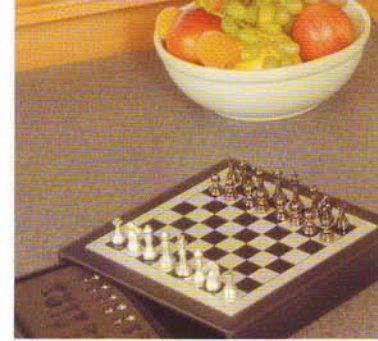

2003

Based in Long Melford, Suffolk, from a highly motivated and experienced workforce, our aim is to be leaders in innovation along with consideration towards our customers needs both old and new. Hence, we will endeavour to continue introducing exciting ideas that are not only viable but affordable.

Our large dealer network ensures sales outlets and service centres in all the major areas of Britain. The loyalty of these dealers over the years has ensured a continuous link of experience and knowledge to pass on to our customers.

Listening to our customers, offering the best of service and producing the finest touring caravans in Britain today enables you to chose Fleetwood with complete confidence.

The HERITAGE

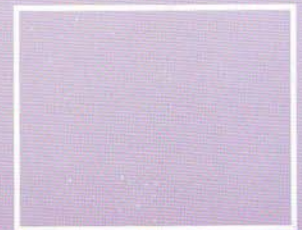

TOURER OF THE YEAR

For the ultimate in style look no further than the Heritage - a brand leader with the 600-CB - winner of the Caravan of the Year Award 2002. This year further enhancing the models front and rear elevations using chrome and matt black to complete the sophisticated look. With a choice of three exquisite chenille fabric options, co-ordinating cushions and curtains, loose bound-edge carpets over a vinyl floor and elegant furniture, the Heritage continues to capture the imagination.

Fully equipped for Satellite television with dual location for the Satellite decoder and distribution to all TV outlets, a Radio/CD player linked to twin speakers, microwave, programmable central heating system and concealed floor mounted radiators offering state of the art amenities as standard.

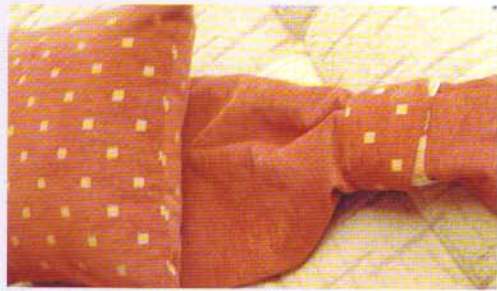

Allied to such a comprehensive list of standard features is the introduction of white framed, double glazed windows and a wire-less Fleetwood security system with key-fob operation to ensure maximum peace of mind - all within the efficiently used, wide body that accommodates everyone with ease.

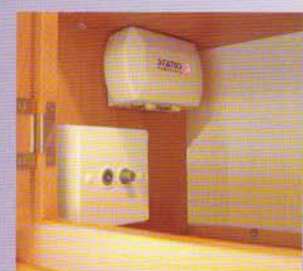

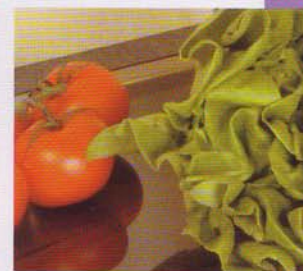

Continuing the winning streak, the 640CB offers an L shaped lounge, fully fitted kitchen and the privacy of a centrally positioned, full sized, double bed with its own sliding doors enabling uninterrupted access to the rear bathroom at all times.

With Fleetwoods meticulous attention to detail, traditional build skills are expertly combined with the latest in technology to offer you all the comforts of home, the luxury of a hotel and the freedom loved by caravanners.

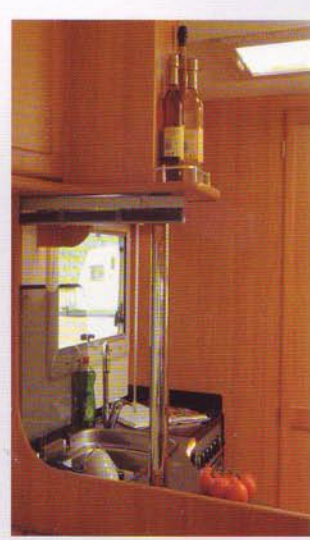

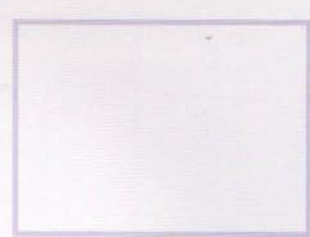

The HERITAGE

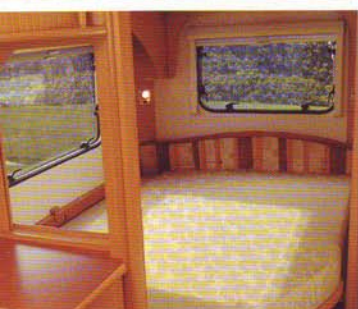

Selected Features for 2003

- * Full window blinds and flyscreens incorporated within all opening windows except for the three front windows where the blinds/flyscreens are mounted on the interior face of the windows.
- * New 2003 Remis "Tilt and Slide" rooflight mounted in the front area roof section incorporating a night blind and flyscreen facility and 12v lighting within the frame.
- * Removable front chest with pull-out table top. (Heritage 640-EB only)
- * Quartz clock. Gallery rail in chromed silver satin. Nickel "D" handles throughout.
- * Removable garment hanging rail in the wardrobe.
- * New style white framed windows to all exterior elevations except the front elevation.
- * Large fridge freezer stack under microwave oven with grill facility.
- * Doormat and tray with brush out facility. Caravan Entrance Step.
- * 14" Alloy wheels. Spare wheel (NOT alloy). Low pressure tyre valves.
- * New style graphics, model numbers and slimline twin band surround.
- * Fleetwood "Protect" Wireless Security System with key fob operation.
- * Electric flush toilet with built in header tank.
- * Fully equipped for Satellite television with dual location for Satellite decoder and distribution to all TV outlets.
- * Winterhof stabiliser.

The COLCHESTER

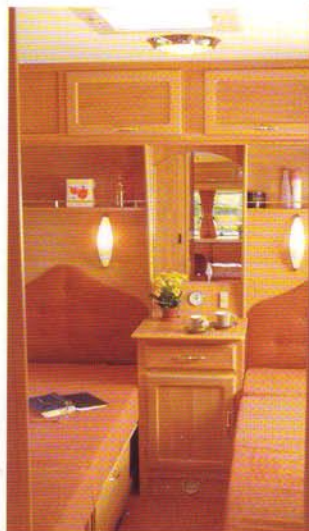

By introducing a dramatic and very stylish new shape for 2003 the Colchester continues to lead the 'pack' with innovative ideas combined with the expected high quality, both inside and out. Currently with a choice of 7 layouts, plus the 560-4 being introduced later this year, the options are unlimited within this range. The drop down double bed facility is re-introduced within the 520-ES proving that we really do listen to our customers!

Designed for all-season touring, the terracotta and cream chenille furnishings enhanced by the warmth of the co-ordinated furniture and work tops are designed with relaxation in mind.

Selected Features for 2003

* New style high gloss ABS one piece front panel and back panel the latter incorporating a high level spoiler with brake light and rear light clusters with stop, tail, side, fog and reversing lights. Matt black rear fenders.

* TRUMA 3kw space heater with Ultraheat ducted blown air system linked to Awning Warmer vent on nearside.

* Chrome washroom taps and chrome shower fittings.

* Large inset LPG locker with removable door and gas supporting strut. Twin key lock operation.

* Re-introduced drop down double bed facility (520-ES only)

* All windows opening and double glazed. Grey dot screen printed windows.

* Power fridge with full width freezer

* Front beds 1920mm (6' 2") in most models.

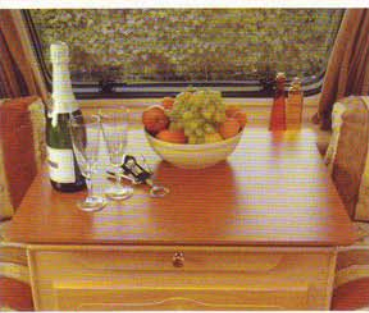

* Manual flush toilet with built in header tank.

* 360° circular operation TV table (Colchester 520-ES only)

* Status 315 TV aerial with Booster Box

* High level running lights

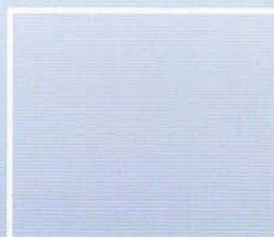

* Circular centre 12v ceiling lights and Awning light.

The SONATA

After only one year the Sonata has proved to be very popular. With four layouts, from the compact 2 berth Serenade with end kitchen to the spacious luxury of the Melody and all having a new stylish rear elevation this year, the trend is sure to continue. The modern clean lines created by the Bleached Beech furniture and Ash doors, combined with colour linked soft furnishings and Chenille upholstery, offer space and comfort unlimited.

Selected Features for 2003

* Spinflo oven in Oyster. Four burner hob with flame failure device, flush fit glass top and grill.

* Fully fitted washroom vanity units with mixer tap and full width mirror over vanity unit.

* Large Tilt & Slide rooflight in front roof section plus additional rooflight in saloon area with night blind and flyscreen facility.

* Concealed security data chip within construction, VIN identity number etched to all windows and die stamped to the chassis. High security single key operation.

* TV station with 230v/12v aerial connection

* TV aerial with amplifier.

* Electrolux 77 litre fridge with full width freezer and manual ignition.

* Three piece rear panel incorporating modern new ABS top spoiler section, smooth aluminium centre panel with highlight ribbing and profiling. Modern style ABS lower panel incorporating rear light clusters and number plate recess.

* Fixing points for rear mounted cycle rack. Exterior access battery box (excluding battery).

* Awning light, 12v reading lights and Smoke Alarm.

* Flared wheel arches over 13" wheels. BPW fully galvanised chassis, axle and running gear with spring assisted handbrake.

* Full mains electrics with two 230v sockets and 25m mains hook up facility. Truma 3kW space heater with ducted blown air system.

* Ultrastore water heater

FLEETWOOD SPECIFICATIONS

* All models comply with European standards.

Construction.

- * High gloss ABS front panel and back panel the latter incorporating a high level spoiler with brake light, rear light clusters with stop, tail, side, fog and reversing lights. Chromed trims and number plate surround.
- * BPW fully galvanised chassis, axle and running gear with spring assisted handbrake.
- * Part laminated roof section.
- * Fully insulated, bonded floor and walls. Meets grade 2 classification for thermal heating and insulation.
- * Concealed metal wall plates and timber rails for secure furniture fixing.
- * Exterior gas barbecue point.
- * Fixing points for rear mounted cycle rack.
- * Exterior access battery box (excluding battery).
- * Large inset LPG locker with twin hinge/complete removal facility. Incorporated gas supporting strut.
- * Winterhof stabiliser.

Electrical

- * Electrical control panel with ELCB.
- * Mains electrics with three 230v sockets. 2 x 12v sockets and 2 x TV aerial sockets.
- * 230v and 12v reading lights including twin 230v mains reading lights incorporating a dimmer switch.
- * Switchmode charger/transformer and 25m mains hook up cable connection.
- * Brushed satin 12v circular centre ceiling lights and Awning light.
- * Fully equipped for Satellite television with dual location for Satellite decoder and distribution to all TV outlets.
- * Status 530 TV aerial with Booster Box.
- * Omni-vent
- * New rear light clusters and high level brake lights.
- * Sealed wet locker with exterior door access and 230v socket.

General Features:

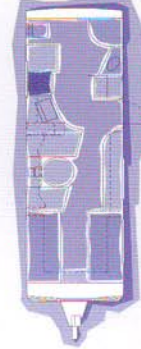

- * Microwave oven with integral grill facility.
- * Large Fridge Freezer Stack.
- * Exterior door with window and window blind and full exterior door cassette flyscreen.
- * Removable front chest with pull-out table top. (Heritage 640 EB only)
- * Domestic quality reflex foam upholstery including backrests.
- * Double glazing with night latch ventilation and concealed fasteners.
- * Full window blinds and flyscreens incorporated within all opening windows except for the three front windows where the blinds/flyscreens are mounted on the interior face of the windows.
- * All windows opening and double glazed. Grey dot screen printed windows.
- * New 200B Remis "Tilt and Slide" rooflight mounted in the front area roof section incorporating a night blind and flyscreen facility and 12v lighting within the frame
- * Multi-directional rooflight with sliding night blind and flyscreen to main compartment.
- * Removable garment hanging rail in the wardrobe.
- * Bunk ladder (where bunks supplied).
- * Quartz clock. Gallery rail in chromed silver satin. Nickel "D" handles throughout.
- * Deep hardwood edges to all work surfaces.
- * Doormat and tray with brush out facility. Caravan Entrance Step.
- * 14" Alloy wheels. Spare wheel (NOT alloy). Low pressure tyre valves.
- * New style graphics, model numbers and slimline twin band surround.

Heating and Plumbing:

- * Alde Compact 3000 Total Heat System with dual fuel operation, programmable thermostatic control and concealed mounted radiators.
- * Pressurised plumbing system.
- * Inboard semi-rigid piped water system with Whale interlocking connections.
- * Whale submersible pump.
- * Electric flush toilet with built in header tank.
- * 28mm semi-rigid waste piping all sited to twin outlets mounted to the outside of the caravan towards the rear.

Security Features:

- * Fleetwood "Protect" Wireless Security System with key fob operation.
- * Smoke alarm.
- * Concealed security data chip with caravan construction.
- * Single key high security locks.
- * Identity number etched to windows and stamped on chassis.

FLEETWOOD CARAVANS

Fleetwood Caravans Ltd, Hall Street, Long Melford, Suffolk, CO10 9JP
Telephone: 01787 378705/880987 Fax: 01787 880594
www.fleetwoodcaravans.co.uk E-mail: fleetwoodcaravans@dial.pipex.com

Warranty

All Fleetwood caravans are supported by a full three year factory-backed warranty. For the first year this warranty is unconditional and covers every aspect of the caravan. In years two and three it is a condition of the Fleetwood Talisman scheme that the caravan is serviced by an appointed Fleetwood dealer at the end of 12 and 24 months from its original purchase. The warranty then provides comprehensive cover for all major external and internal items. In the first year the caravan may be taken to any Fleetwood dealership for warranty work, irrespective of where it was purchased.

Fleetwood Caravan Owner's Club

The Fleetwood Owner's club is open to all purchasers of Fleetwood caravans, and exists to bring fellow owners together in a friendly relaxed way. Members enjoy a varied rally programme including an annual Dinner Dance and a visit to the Fleetwood factory.

The Club has a web site at www.foc.nildram.co.uk

Details may be obtained from the Club Secretary, Phil Jacobs, 26 Heron Way, Stotfold, Hitchin, Herts. SG5 4QB, Telephone: 01462 730302, E-mail: phil.jacobs@btinternet.com

Whilst every effort is made to maintain the specifications and descriptions appearing herein, Fleetwood Caravans Limited reserves the right to make, at any moment and without notice, any change in this specification of any caravan or any equipment supplied with it. In this brochure some of the photographs may feature items which are not included within the model specification - your Fleetwood Caravans Limited retailer will confirm these and all specification details prior to you making a purchase decision. Fleetwood Caravans Limited retailers are not agents of Fleetwood Caravans Limited and are therefore unable to bind Fleetwood Caravans Limited or make any representation or undertaking whatsoever on behalf of Fleetwood Caravans Limited. The awning length measurement shown in the technical specification is to be interpreted as a general guide only and enquiry should be made from each individual awning manufacturer as to the correct size. The illustrations and descriptions given are intended to be a general guide only, colour reproduction is subject to the limitations of the production process and the issue of this brochure does not constitute an offer.
